

# LEGENDS

## Local Excursions Generating Elderly Narratives for Digital Storytelling

### ABOUT

LEGENDS will unite older adults and youth in a place-based storytelling project that links digital literacy to local heritage. Participants engage in local photo outings, digital storytelling, and the creation of an online cultural map. In bridging age divides and empowering seniors' online capabilities, the project will preserve heritage, promote volunteerism, and build inclusive learning communities.

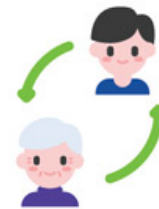

### AIM AND OBJECTIVES

LEGENDS aims to reduce older adults' digital isolation, foster intergenerational cooperation, and strengthen adult educators' skills.

Enhance Older Adults' Digital Competences

Foster Intergenerational Engagement

Strengthen Adult Educators' Competences

Promote Sustainability and Cultural Preservation

# OUTPUTS

- 1 Enhance Older Adults' Trainers' toolkit for digital literacy and photo outings Digital Competences
- 2 Intergenerational workshops producing a shared cultural map
- 3 An online repository of stories and resources
- 4 A local cultural map

# METHODOLOGY

LEGENDS wishes to incorporate an intergenerational learning approach to focus on mutual exchange and respect between generations. It is tech-integrated, as it aims to enhance older adults' digital skills and it incorporates participatory and active learning with hands-on, self-directed learning connected to their lives.
